Through : The Principal,JNV

Sub : Demand for Appointment of Wardens in JNVs

Sir,

On behalf of the Central Executive Committee of AINVSA staff association we pay our tributes to those children who left this world for their heavenly aboard, we express our deep condolences to the bereaved families...and to pay a tribute to those suicide and incidental deaths of JNV students so far...we have lighted a candle tonight, on 27th JAN,2018,collectively in the JNV Premises...THIS CANDLE LIGHT VIGIL is for the cause of appointment of wardens to take exclusive care of students in JNVs, in line with most other residential schools in India.

In this context we would like to emphasize the vital aspect which we have been belabouring over decades. Most of the children of JNVs hail from families of remote villages. Their parents are not well educated and their socioeconomic status is very low. Therefore the aspirations of the children and the realities may not always come terms with each other. As they are passing through the adolescent period characterized by stress, uncertainties, fascinations, relationship problems etc they must be taken care not only in terms of physical security and safety measures but also emotional aspects.The need thereon full time counselors and wardens to take care of them exclusively

The teachers of JNVs are redundant with academic and nonacademic works they are under tremendous pressure. They are also torn between their personal life and career engagements. Administrative improprieties, deliberate deviation from standard norms of NVS and several other factors are taunting them severely which they are unable to communicate to the higher authorities due to lack of a reliable channel.

We demand, with all humility, the appointment of regular Wardens for Vidyalaya hostels(dormitories) which will take away the pressure

from teachers. The wardens and counsellors both are inevitable condition for a residential institution like JNVs where the talented children strive to realize their aspirations which bring forth unexpected quirks in life.

Hence, considering the welfare of the students and to check suicide and incidental deaths, to avoid and decrease the untoward incidents in JNVs, we would like to appeal to your kindself to forward this request to the Hon.Commissioner NVS to expedite immediate necessary action to appoint **Wardens in JNVs**

Thanking you

Date: 27/01/2019

Yours faithfully

Place: JNV.....
