**Subject- Views i.r.o the draft scheme proposed by the Committee for weekly off to Teachers-reg.**

Respected Sir,

With reference to the NVS Hq letter No 10-1/2016-NVS(SA) dated 26 November,2018 inviting views and comments from the staff of NVS on the draft document proposed by the Committee constituted for extending weekly off to teachers, and after much perusal and consideration of the draft scheme, I ,the undersigned would like to comment the following:

1. The first part of the proposal for weekly off to teachers is highly appreciable.
2. At the same time , there is no need of disturbing the daily academic routine of the JNVs. I highly refute the proposed "modification in the daily routine" to the best of my knowledge and belief.
3. The second part of the draft scheme is totally against Educational Psychology. Tutorial or remedial classes in the 7<sup>th</sup> & 8<sup>th</sup> period ie during the regular school morning session is not at all welcome.
4. Similarly, I am not for the proposed subsequent 7<sup>th</sup> & 8<sup>th</sup> period shifting to 3.00pm to 4.20pm, mentioned therein.
5. Instead kindly do the needful , to recruit regular(permanent) Wardens in JNVs to look after boys and girls exclusively and exempt teachers from this responsibility to spare time for study and research to teach the rural, poor talented students of the district more effectively, with my updated knowledge.

Thanking You

Yours faithfully
